

HIS JOB IS TO KEEP
PRODUCE FRESH. **OUR
JOB IS TO KEEP YOUR
FACILITIES MAINTAINED.**

At USM, it's our business to understand yours.

We know that each business relies on mission-critical specialty equipment that can make or break a day's profits.

That's why thousands of multi-location retailers rely on USM's comprehensive maintenance programs to keep essential equipment and systems running reliably—and at peak energy efficiency.

We understand your world, so we provide the bundled services your operation needs—**from maintenance of refrigeration and HVAC units to janitorial and snow removal services.**
