

HER JOB IS TO KEEP
THE GUESTS SATISFIED.
**OURS IS TO KEEP THE
KITCHEN MAINTAINED.**

At USM, it's our business to understand yours.

We know that each business relies on mission-critical specialty equipment that can make or break a day's profits.

That's why thousands of multi-location businesses rely on USM's comprehensive maintenance programs to keep essential equipment and systems running reliably — and at peak energy efficiency.

We understand your world, so we provide the bundled services your operation needs—**from maintenance of kitchen equipment and HVAC to janitorial and landscape services.**

We Know Maintenance **Inside and Out**
